Sharp Shooters
Small Arms Range

By the execution hereof and in consideration of the acceptance by the undersigned hereby releases relieves and exonerates Gilbert Small Arms Range Inc., and/or any agent, servant or employee of Gilbert Small Arms Range Inc., of and from any and all liability for any personal injury and or exposure to lead to the undersigned while in, on or upon the premises of Gilbert Small Arms Range Inc., and/or its agents, servants, or employees.

RANGE SAFETY RULES

1 .All commands and directives given by the Range Master will be obeyed immediately.
2. Treat all firearms, at all times, as if they are loaded.
3. Except when on the firing line, in a box, case or holster, all firearms will be unloaded and the action will be open.
4. Except on the firing line, a holstered firearm will be unloaded with the hammer down and the magazine out, if appropriate.
5. Firearms will be loaded and unloaded only on the firing line.
6. When on the firing line, firearms will be pointed down range except when holstered.
7. Dry firing, practice loading, and practice drawings will be done only on the firing line.
8. When giving to, or accepting from another person any firearm, it will be unloaded with the action open.
9. No one will enter the range with a loaded firearm except law enforcement officers.
10. Anyone who observes an unsafe act will call a cease fire.
11. When the command "Cease Fire" is given, all shooters will immediately stop firing, unload, open actions, lay firearms on the benches, muzzle pointed down range and step back from the firing line.
12. A shooter who experiences a malfunction, jam or stoppage with his firearm, will not remove that weapon from the firing line; he will lay it on the bench, with the muzzle pointed down range and bring the Range Master to the gun for assistance.
13. No one will go forward of the firing line, for any reason, without permission of the Range Master.
14. No more than one shooter at a firing position without permission of the Range Master.
15. Any shooter or perspective shooter suspected of recently using drugs or alcohol will not be allowed to shoot.
16. Conduct by any shooter deemed inappropriate, unsafe, reckless or negligent by the Range Master will be considered grounds for removal from the range.
17. Eye and ear protection will be worn on the range.
18. Discharge of firearms may produce lead dust. Excessive inhalation or ingestion of lead may be adverse to health. No smoking, eating or drinking is permitted on the range.
19. Good hygiene should be practiced. Wash your hands and face after firing.
20. Pregnant women are advised to confer with their physician prior to use of the range especially where they participate frequently in shooting activities.
21. Children under 18 are not permitted, unless accompanied by a parent at all times while on the range. Children under 10 are not permitted on the range. Children under 18 must be supervised at all times.
22. A shooter may police and keep their brass. All other brass belongs to the range.
23. <u>STEEL CORE AND STEEL JACKETED AMMO NOT ALLOWED ON THE RANGE.</u>
